“...visiting the iniquity of the fathers upon the children unto the third and fourth generation of them that hate me;”  
(Exodus 20:5)

The Church didn't come and get us...

## **Be informed-**

Indifference is the same as rejection.

“While the church was judging me, the world was loving me.”

-Miguel Harris

Church culture- men's ministry-  
"I don't want to be running around in the  
woods like a bunch of gay men!"

Is that not love?

For if they fall, the one  
will lift up his fellow:  
but woe to him that is  
alone when he falls; for  
he has not another to  
help him up.

(Ecclesiastes 4:10)

Where healing begins....but it doesn't end here.

“God loves you exactly as you are, but He's waiting for you to love Him exactly as He is.”

“Ye therefore, beloved, seeing ye know these things before, beware lest ye also, being led away with the error of the wicked, fall from your own steadfastness.”

2 Peter 3:17

Some people pay a very high price to keep their faith.

Therefore if any man be in Christ, he is a new creature: old things are passed away; behold, all things are become new.

2 Corinthians 5:17

The new birth consists in having new motives, new tastes, new tendencies. Those who are begotten unto a new life by the Holy Spirit have become partakers of the divine nature, and in all their habits and practices, they will give evidence of their relationship to Christ....

“Is the gay identity so fragile that it cannot bear the thought that some people may not wish to be gay? Sexuality is highly fluid and reversals are theoretically possible. However, habit is refractory, once the sensory pathways have been blazed and deepened by repetition - a phenomenon obvious in the struggle with obesity, smoking, alcohol and drug addiction... Helping gays to learn how to function heterosexually, if they wish, is a perfectly worth aim.  
-Camille Paglia Lesbian activist

“Homosexuality is not normal. On the contrary it is a challenge to the norm. Nature exists whether academics like it or not. And in nature, procreation is the single relentless rule. That is the norm. Our sexual bodies were designed for reproduction. No one is born gay. The idea is ridiculous. Homosexuality is an adaptation not an inborn trait.”

Emily's Story

"The Divine Teacher bears with the erring through all their perversity. His love does not grow cold; His efforts to win them do not cease. With outstretched arms He waits to welcome again and again the erring, the rebellious, and even the apostate. His heart is touched with the helplessness of the little child subject to rough usage. The cry of human suffering never reaches His ear in vain. Though all are precious in His sight, the rough, sullen, stubborn dispositions draw most heavily upon His sympathy and love; for He traces from cause to effect. The one who is most easily tempted, and is most inclined to err, is the special object of His solicitude."

“Our culture has accepted two huge lies. The first is that if you disagree with someone’s lifestyle, you must fear or hate them. The second is that to love someone means you agree with everything they believe or do. Both are nonsense. You don’t have to compromise convictions to be compassionate.”

-Phil Robertson

The spirit that led to the persecution of Jeremiah exists today. Many refuse to heed warnings, preferring to listen to false teachers who flatter their vanity and overlook their evil-doing. In the day of trouble such people will have no sure refuge. **God's chosen servants should courageously meet the sufferings that come to them through accusation, neglect, and misrepresentation.** They should discharge faithfully the work God has given them, ever remembering that the prophets, the Savior, and His apostles also endured persecution for the Word's sake. – {RR 154.7}
